

## Mandatory Announcement - Department of Religious Liberty and Patriotism

We are in a dangerous time for this country. Student's rights and freedoms regarding religious liberties are continuously under assault. The newly created Department of Religious Liberty and Patriotism will be working to thwart any attempts to disrupt our Oklahoma student's fundamental freedoms.

In one of the first steps of the newly created department, we are requiring all of Oklahoma schools to play the attached video to all kids that are enrolled. We are also requiring that that school districts send this video to all parents as well.

Students are encouraged but not required to join me in this prayer.
