

SECTION III: STUDENT POLICIES 3200

Online Sessions and Sharing Contact Information

Oklahoma Virtual Charter School ("OVCA")

Students are permitted to share contact information during online sessions. Sessions are monitored by OVCA staff, but it is the responsibility of the parent to discuss personal family rules and expectations regarding which contact information may be shared with classmates.

Parents are further advised that information and images shared during these social sessions may be available to all users of these sessions and are therefore no longer private. OVCA cannot guarantee the security of information that is disclosed or communicated online in such sessions, and parents authorize the release of such information at their own risk. Students who choose to use non-approved interaction platforms (such as but not limited to Discord, Google Meets, Twitch, or Instagram) do so at their own risk, as these platforms are not school-monitored, and OVCA is not responsible for interactions or outcomes that occur outside of approved school engagement platforms.

The right to participate in online sessions is a privilege. If, in the sole and exclusive opinion of OVCA, the conduct of a student warrants the termination of this privilege, a student will be removed from the social sessions.
